GWorld CARD POLICY

Policy Statement

The GWorld Card is the official identification card of the university, and is required for access to certain campus buildings (such as residence halls, libraries, and athletic facilities), and to university events. The card also provides a declining balance account for purchases at on and off campus merchants. Anyone issued a card agrees to be bound by the requirements set forth in this policy. Violations may result in disciplinary action up to and including termination of employment or enrollment, and card confiscation.

Reason for Policy/Purpose

The GWorld Card, and the privileges and duties associated with it, are a means of safeguarding members of the university community and their guests, and for controlling access to university buildings and events.

Policy/Procedures

All members of the university community who are "University Constituents" (see definitions) must have a GWorld Card, which can be obtained directly from the GWorld Office. The university also issues cards to individuals with legitimate and verifiable affiliation with the university ("University Affiliates," as defined below), who must first obtain sponsorship per the procedures set forth in Obtaining a GWorld Card as a University Affiliate. Only one card will be issued per individual, and will be issued based upon the individual's primary affiliation with the university (i.e., an individual who is primarily a staff member but also attends classes will be issued a staff card).

The card should be carried at all times or access to university facilities, events or services may be denied. Failure to present the card to a representative of the University Police Department upon request may result in the individual being asked to leave university premises. Cardholders must not lend or allow another individual to use their card for any reason, as this may create a security risk to university facilities and events, and pose a risk of theft of declining balance funds. Use of the card also constitutes agreement with the requirements in the GWorld Cardholder Terms and Conditions, as applicable, and all university policies and applicable laws governing access to and dissemination of data held by the university.

Lost or stolen cards should be reported immediately to the GWorld Office to prevent unauthorized access to university buildings and/or use of any balance on the cardholder's account. The GWorld Office will provide the cardholder with a replacement card and transfer any unused account balance upon payment of a $25.00 fee. Departments are required to notify the GWorld Office of all terminated or departing university employees or Affiliates, so that the card and all access is deactivated immediately.
