WASHINGTON
UNIVERSITY**
WASHINGTON, DC

Responsible University Official: Vice Provost and Dean of Student Affairs
Responsible Office: Office of the Senior Associate VP of Operations
Last Revised Date: March 22, 2017

ON-CAMPUS PARKING RESTRICTIONS

Policy Statement

The university discourages all students from bringing vehicles to the Foggy Bottom or Mount Vernon campuses. Freshmen and sophomores in particular are prohibited from bringing vehicles and parking them in the Foggy Bottom/West End area other than in exceptional circumstances where an exception is documented and granted by the university. For those few granted exceptions, the vehicle must be parked in a university parking facility.

Reason for Policy

This policy is needed because of the limited number of parking spaces on the streets around the Foggy Bottom and Mount Vernon campuses, the availability of public transportation, and the need to limit the impact of parked vehicles on the surrounding residential neighborhoods. This policy is also needed to effectuate campus plan zoning requirements and other obligations of the university.

Policy

Foggy Bottom Campus Parking Restrictions

Due to the limited number of parking spaces on the streets in and around the Foggy Bottom Campus and the availability of public transportation, the D.C. Zoning Commission imposed a condition in the 2007 Foggy Bottom Campus Plan restricting student parking.

Pursuant to this condition, the university discourages all students from bringing vehicles to the Foggy Bottom Campus. Freshmen and sophomores are prohibited from bringing vehicles and parking them in the Foggy Bottom/West End area (the area bounded by 19th Street on the east, E Street on the south, Rock Creek Park on the west, and N Street on the north), except in exceptional circumstances. Exceptional circumstances may include, for example, transportation needs related to a disability or health condition of the student or member of his/her family. Requests by freshmen and sophomores for a policy exception due to exceptional circumstances must be submitted to Transportation and Parking Services via the [Parking Requirement Exemption Request Form](#). Any exemptions will be granted by Transportation and Parking Services in consultation with the Office of Campus Planning, Division of Operations. If an exception is granted, the vehicle must be parked in a university parking facility.

All freshmen and sophomores living in GW housing must confirm by their signature of the George Washington University Undergraduate Housing License Agreement found on the [Housing License Agreement](#) page that they have read and understood this parking policy, regardless of whether the student drives to the university or is eligible to have a car on campus.

Mount Vernon Campus Parking Restrictions

Pursuant to the 1999 Mount Vernon Campus Plan zoning order, students, faculty and staff who bring vehicles to the Mount Vernon campus are required to park on the

campus itself. Parking is prohibited on the streets adjacent to and surrounding the Mount Vernon campus.

Student violations of this policy are subject to disciplinary action pursuant to the university's [Code of Student Conduct](#).

Procedures

Further parking information, procedures and forms are available from the Parking Services Offices.

Students

Colonial Central

Marvin Center (800 21st Street NW - Ground Floor)
